Backmusic is needed, Part II

Ahahah
The first say of exam has ended
There are still 3 more subjects geez
띵똥댕
Se Yeong wait for me
Ah..Na Yeong D'd you do well?
I don't wanna talk about it I bet you did well .After all Hyeon Jyeong studied with you

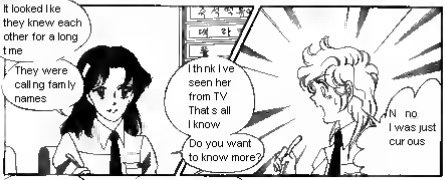
I am not studying for her. Why do you say that?
That's right. The only thing is that I cannot do anything else while studying with Hyeon Jyeong
Anyway when will you introduce the chef to me?
That again? I heard you and the chef did not go well.
In the last meeting. Why not just forget about it?
You refused to introduce me to him because you were not very familiar with him. But I heard you get along with him well. Am I missing something here?
I don't like that kind of talk.
All right. I will introduce him to you.
even if she do introduce you to him, I think it will be no use
What do you mean by that?

I think he has a girl friend.
She looked like a CF model ...

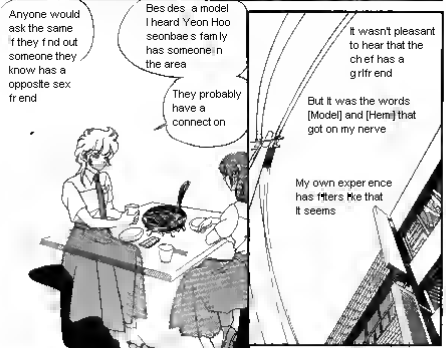
Model

Aren't you going to eat Se Yeong?
Mm? are you done ?
Ya let's eat quickly and study for the exam
When did you see Yeon Hoo seonbae's girlfriend ?
the day we went to the seouland
He walked me home you know
She looked like a friend of Hem Yoo's

Hem s



It looked lke they knew each other for a long t me
They were call ng fam ly names
I th nk I ve seen her from TV That s all I know
Do you want to know more?
N no I was just cur ous



Anyone would ask the same f they f nd out someone they know has a opposite sex fr end
Bes des a model I heard Yeon Hoo seonbae s fam ly has someone in the area
They probably have a connect on
It wasn't pleasant to hear that the ch ef has a g rlfr end
But it was the words [Model] and [Hem] that got on my nerve
My own exper ence has f lters ke that It seems

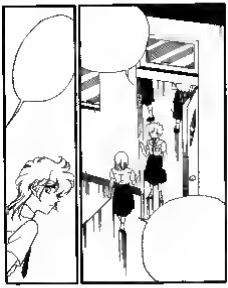
Ahah forget it

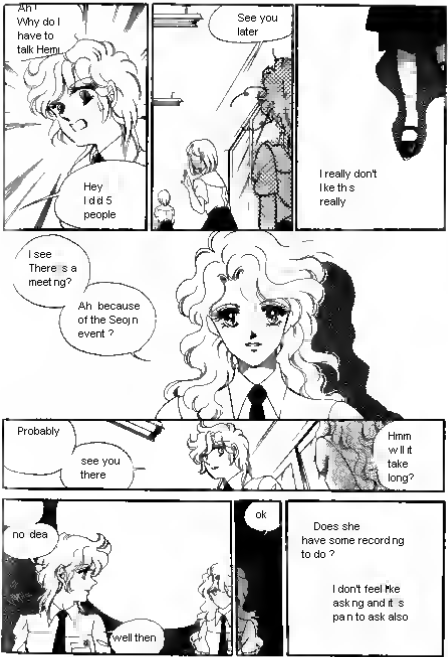
Yeon Hoo seonbae s
only a ch ef to me

And he hav ng a grlfr end
has noth ng to do wth me

Besd es I don't lke to be
m sunderstood by Hyeon Jyeong

And a day left to go unH the
end of exam





Ah!
Why do I have to talk Hem
Hey I did 5 people
See you later
I really don't like this really
I see There is a meeting?
Ah because of the Seojn event ?
Probably
see you there
Hmm will it take long?
no idea
well then
ok
Does she have some recording to do ?
I don't feel like asking and it is pain to ask also

Romeo and Juliet requires too many items for the seojn event
And because of other small issues we've decided to change
Once the decision is made we will choose the casts before the summer break
If you cannot attend during the beak please let me know
I ask you to choose what you would like to do by tomorrow
it doesn't have to be famous one it should be appealing to others and fun
The exam has ended and the access to the club is as usual
Please don't skip tomorrow's meeting
That's all
Se Yeong wait
Why?
please wait
I've got the pictures we took from the seouland
Um I have somebody waiting in my class room
It's in my bag right now So let meet up after school

Yes
where then
Sure
Chef are you free ?
Hm? Hem you have something for me also ?
Goryeo bakery at 3 o'clock
excuse me
yeah see you soon
The pictures It wouldn't be right to give him money
I guess I will buy him some breads
I will bring Hyeon Jyeong also
What's Hem talking to the chef about ?
Although we recently get to hang out, I am only in the same club as he's
Hem has known him for sometime and she is close to his girlfriend as well
After all It would be Hem who's more close to the chef
Although his girlfriend would be the closest to him

To get the pictures ?
me alone?
yeah I am sorry but do me a favor
I don't want any more misunderstanding from you
I don't want to go Just give him an excuse
what if I don't understand ?
Ah Let's buy him some breads for the pictures you half the half
I still don't want to go I want to go home and sleep
so what is the excuse?
father in danger
mother in hospital
brother's an accident
hey
My stomach got upset

Did she eat bad shaved ice or something?
She probably felt like that
I will buy you. Order what you want Yeon Hoo seonbae
adzuki bean sherbet
butter bread
cream bread
vegetable bread
etc etc ,,,, (skipped)
You wouldn't act like that if Se Yeong was here would you?
The cause was you after all.
We both know well.
I want to get back to you for your ill nature.
Seon Ah we were told to wait at Hem r
Se yeong will pay half.
sure
who is he meeting so that he won't come right away ?
I told you he is giving pictures to a club member Se Yeong

Hm
So that s Se Yeong ?
no she is Hyeon Jyeong
s she a member of the club?
No she s a fr end of Se yeong
The che f told you that she went to the seoulland
I know he even walked her home
I understand that you l le the ch ef
But don't drag me nto th s t s burden
Hem we are comrades
You know how t s Even f we do noth ng the g rls slander us
We can't even be sure who s a fr end or not Don't turn me down

Anyway help me
Br ng her to the record ng s ght once
I am not her fr end She l ves n the same area with me
She knows Se Yeong no? Ask her to come also
I am not sure
Use your bra n !
If you don't want to help forget it
ok....
Anyway, it's strange.
I am no worse than her !
don't you think so ?
yeah, yeah

Wow...
Se Yeong the sun s gonna ra se from the west
you came here by your own will?
Uh Se Yeong s here
Hello

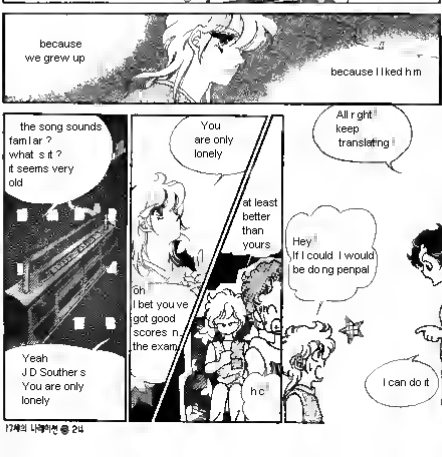
Model

want a dr nk ?
Orange juce
You are ndeed home I thought you d went out with Hem for celebrat ng the end of exam
Hem.. she went to her fr end s
she sa d she was go ng out with her fr end
How r ghtous
she chose g rlfr end over her boyfr end

looks like it's her only friend
she looked very rough though
it's only me that dislike her I don't think others dislike her much
Does she really have no friends ?
is your father at work ?
yai But he is coming home early today
should I wait ?
Hyeon Uoo Se yeong
yes?
I am going out to shop for dinner
Se yeong you are going to eat dinner here today
yes? yes!
eh ?
eh ?
Alone with him ?
Are you going to stay in the living room?
let's go to my room
Ok I will bring a cassette player out here
I will stay here !

Just because I gave up
it does not mean the feeling
would go away instantly
One thing s for sure though
I certainly did not mind such things
before
He was with me
n my room before
But there was my family
n the house

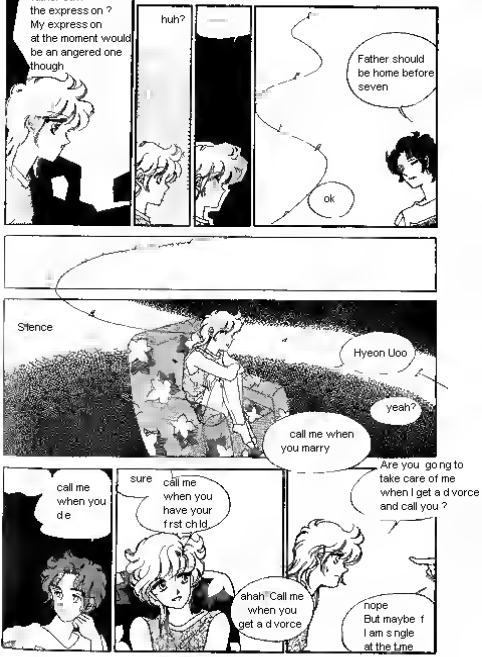
because
we grew up
because I liked him



the song sounds
familiar ?
what s it ?
it seems very
old
Yeah
J D Souther s
You are only
lonely
You
are only
lonely
at least
better
than
yours
oh
I bet you ve
got good
scores n
the exam
hic
All right
keep
translating
Hey
If I could I would
be doing penpal
I can do it

what ?
When you feel despar as f the whole world s collaps ng up on you when you f nd yourself lonely and small you need someone to bug you warmly
Call me my name when such a moment comes When you become lonely don't be shy and call my name
You are accumulated with loneness
You read it from some popsong book don't you
no it was from monthly magaz ne
ah
well you remembered That s what counts
n ce lyr c go on
I like it as well That s why I remembered the whole th ng when I was remember ng the song
here it goes
Call my name now t s not a s n when you are accumulated with loneness
We Are The World

My dear
Haven't we known each other for a long long time
Is that the end ?
Se Yeong your express on I th nk I understand why my father wants you to be h's personal model
ya
We Are The Wor
your memory s not bad
ya ?
Eh ? The express on I had a second ago?



Hyeon Uoo s father saw the express on ? My express on at the moment would be an angered one though
huh?
Father should be home before seven
ok
Stence
Hyeon Uoo
yeah?
call me when you marry
Are you go ng to take care of me when I get a d vorce and call you ?
call me when you d e
sure
call me when you have your f rst ch ld
ahah Call me when you get a d vorce
nope But maybe f I am s ngle at the t me

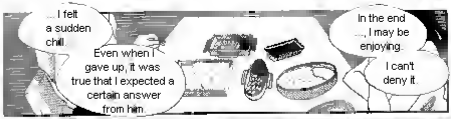
But I will live with a fox like wife and rabbit like children
I will be like wolf like father
FOX
WOLF
RABBIT
OX
are you satisfied ?
Girls sometimes ask such useless things
And they seem to enjoy from it
yeah whatever
I am leaving
Hey !!
Are you pissed because I said that?
No I will talk to you on phone
If you father wants me to come I will come again
Call me when you are lonely also

End (1/5)

Like the lyric we've known each other for a long time
yeah
let's go to somewhere when Hem one day
yeah

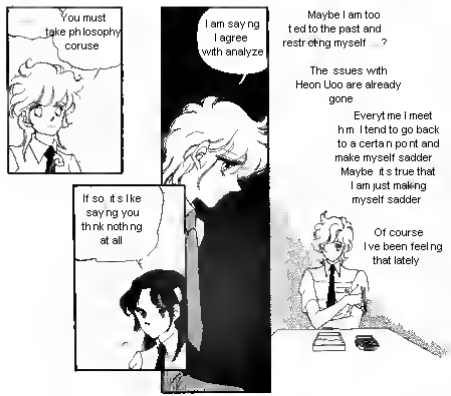
And with the chef
sure

Sure



...I felt a sudden chill
Even when I gave up, it was true that I expected a certain answer from him
In the end ...I may be enjoying.
I can't deny it.

I know the feeling
You feel more anger if you think more and more about something that made you angry
You will be sadder as you think more about it.
You know it's sad. And yet still you make it even sadder for you. It's like you are blaming yourself



You must take philosophy coruse
I am saying I agree with analyze
If so, it's like saying you think nothing at all
Maybe I am too tied to the past and restricting myself ...?
The issues with Heon Uoo are already gone
Everytime I meet him I tend to go back to a certain point and make myself sadder
Maybe it's true that I am just making myself sadder
Of course I've been feeling that lately

it s probably because of the t me be ng but

certa nly

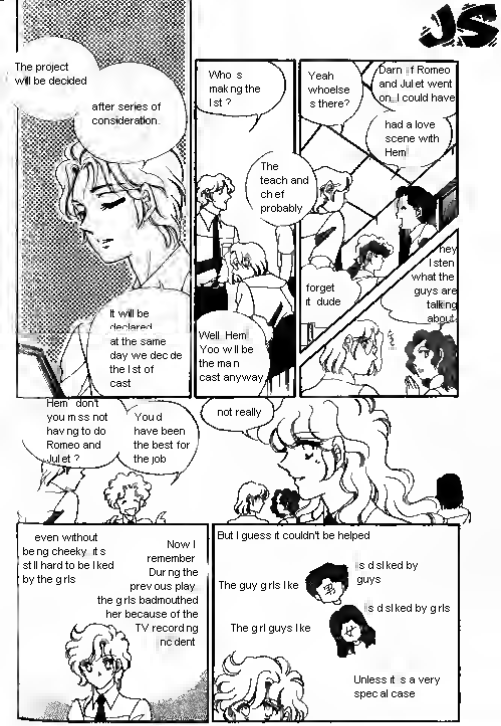
Rather than sorrow

The hatred toward Hem about the nc dent

and I feel reluctant somewhat

Go ng to the club? Can I jo n you ?
sure
No bag?
My fr end s wa ng n the classroom
If I hate her how much ?
ah
Hyeon Jyeong Choe ?
If I m ss it. how much?
yeah
Se Yeong
After all I can't hate her forever
At least
I see

It looks like
I will keep seeing Heon Uoo...
Yeah
At wedding
At funeral
At divorce...
And when
I am just lonely
I talked about it with Heon Uoo
Let's go somewhere all together during the break
eh?
O ok
Se Yeong
Can I talk to you after the club?
...?
About what?
So did everyone submit your project?
I smiled too forcefully
32



The project will be decided after series of consideration.
It will be declared at the same day we decide the list of cast
Who's making the list?
The teacher and chef probably
Well, Hem! You will be the man cast anyway
Yeah, whoelse's there?
Darn, if Romeo and Juliet went on, I could have had a love scene with Hem!
forget it dude
hey, I listen what the guys are talking about
Hem, don't you miss not having to do Romeo and Juliet?
You'd have been the best for the job
not really
even without being cheeky, it's still hard to be liked by the girls
Now I remember. During the previous play, the girls badmouthed her because of the TV recording incident
But I guess it couldn't be helped
The guy girls like
is disliked by guys
The girl guys like
is disliked by girls
Unless it's a very special case

We can't leave the school can we ?
No unless we take Hyeon Jyeong
It s no It s ok I can talk on the way
?
Does she have someth ng very important to say for me ?
um
Actually my fr end Seon Ah kes the ch ef
Ah she s the model Hyeon Jyeong was talk ng about ?
ah s that so ?
So ?
Um. It s
It seems see ng Hyeon Jyeong with che f is getting on her nerve

JS
?
What do you mean by "Gett ng on nerve ? Can't the ch ef even be with any g rl ?
Bes des.. f Hyeon Jyeong is with him Id probably with him also
It looks like she knows more than that
And so she asked me to help
You are her fr end you know what she th nks of the ch ef right?
If she l kes the ch ef I don't want to butt n
can you tell me more ?
Ok let s go to the school backyard
Ch ef and Hyeon Jyeong ?
ya
She overheard conversat on between the ch ef and h s brother
no name but it seems the ch ef has an eye on a g rl n th s school
and last t me she saw the ch ef took her home

And um.., the day when I got into an accident,
did you meet her by any chance ?
Yah ! I did ! It was unexpected.
So, that's how it was. She was somehow using the chief in a friendly manner

So Hem knows as well

that I once liked Heon Uoo

That means the chief most likely knows it as well

Well that's not a strong evidence But the reaction and attitude probably gave people clues

Yeah, I think she was making conversation forcefully and intentionally
Even more, she talked about me and chielf getting along
Isn't that kind of stuff usually mean the opposite?
yeah I was like that when Hked Heon Uoo
that means
ya it looks like she does have a feeling as well
You are sensitive You are probably right
I don't think I should get involved
but isn't it your friend who is asking?
well, f Hyeon Jyeong has a feeling
I think I will help her
well
I will just tell her I cannot help
well for such a matter
I like this kind of talk

Other s love story?
no
the talk
you are often very tmd its amaz ng you can act on TV
Let s go Hyeon Jyeong s wait ng
Snce I was a young chld my mother took me to the stat on on regular bass s
She was very strct. She always dec ded who I should be fr ended of
She s a bit easy on me lately because of TV works though
It s amaz ng how you and Heon Uoo went th s far
I liked him that much
eventually mother found out and got into fight with me
so I must have had no fr end she doesn t know of Whereever I go I had to report to my mother And unless it was school event. I had to be back home before 6 n my mddle school days
since Heon Uoo was a good person she allowed me to see him.

I have on ntent on of compar ng the emot ons
Even I would have done someth ng
about it f there were obstacles

But

Do you want to be
loved by everyone
except the one you love?

Or do you want to
be loved by only the one
you love ?

At the moment
I chose myself
before Heon Uoo
But f it was Hem

Let s forget it
That kind of love only
ex st n a manga or
novel

Bes des at young age

You
are late

sorry

싱긋~

yeah
Chelf Ikes
Hyeon
Jyeong

don't
smile!

Maybe because you are h d ng someth ng from me ?
what?
In fact I d d feel somewhat l ke m ss ng someth ng but
when I was sad
It was her who made me work on the golden block road from wonderland Oz
I don't want to make an example but
Let s make sure it won't happen agai n
d d she sense something?
But
Even f it was so pa nful
I have no i ntent on of lett ng it go and forget about it
Um on the way home I am gonna go to a mus c store and buy "A sad love l ke shadow" can you come?
Yeah really
Because it s my prec ous memory
it s a very old song
it s my past
Ahah I am talk ng to myself aga n

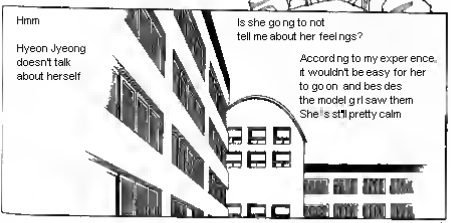
Yeah, th s one s good
The background s
so so but you are
not bad n the p cture
I want to
keep a few
Would the
ch eff have
the f lm?

Usually
the f lms are
thrown out
after gett ng
the p cture
hm-
Who knows
He m ght st ll
have it

So we have
to meet
h m aga n then?
I care to
meet h m
for me?
Eh?
why me?
it s easy for
you to call h m
Not really.
The club has
no meeting unt
the summer
break
And I don't
want to go
nto guy s
bu ld ng

Do you th nk
I like go ng
in there?
I w ll buy
you snacks

Hmm If you don't feel like going, can you call him by phone for me?
I will tell you his phone #
you don't know, right?
No, it's ok I will go ask him later
I don't like calling guy's home
it's no problem in his household
If so, why don't you
Ok, ok, you can ask him later in school



Hmm
Hyeon Jyeong doesn't talk about herself
Is she going to not tell me about her feelings?
According to my experience, it wouldn't be easy for her to go on and besides the model girl saw them. She's still pretty calm

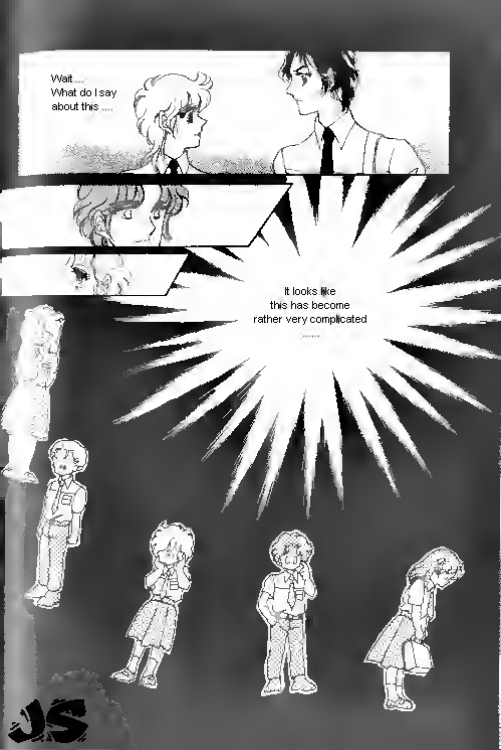
JS
Yeon Uoo Seo A grl wants to see you
You aga n ?
you don't have to be cold
I am here for Se yeong
Can you make more p ctures of th s ?
Ahah
yeah I probably have the f lm somewhere
how many?
Well she d dn't say
2 o 3 probably
Do I have to send them through you ?
no such rule
I don't get n your way ke that

Then tell Se Yeong to meet me after school I suppose you won't get n my way th s time
Today s Saturday
2 o clock The place s Hem r
I fell for it it s ke IQ war
Aaha H Heon Uoo Good work
Hello

You must go with me
I have to go home early
you go alone
I can't go after listening to all that
Come on let's go The chief will be pleased to see you
No way
No way ? It's the truth The reason I wanted you to go meet and ask chief was because of that
There will be no misunderstanding about you meeting the chief So, go
Se Yeong Someone's here to see you
It's not that
what ?

Eh? What brought you here?
Let s go home together
Huh? why?
Why not go with Hem ?
I do not have to go home with her everyt me
Your thought s too s mple
look who s talk ng
I am f ghting th s one!!
I am sorry but I have an appo ntment
With Yeon Hoo seonbae
Seonbae asked me f rst
Yeah
Se Yeong has a plan with Yeon Hoo seonbae
Crap!

I didn't mean anything
I didn't say anything
I am leaving
I am telling you he called you
Ah about the meeting
I think she misunderstood
Why? Don't you like the chef?
yeah
but she likes the chef



Wait ....
What do I say
about this ....
It looks like
this has become
rather very complicated
.....

Two is it enough ?
Yes ?
I asked for them today. How can you have it ready today ?
I wonder why ?
You couldn't have expected that I would ask for them ...
well ?

I've got it. It's the 45 minute quick photo, right?
45 minute
Photo
I am surprised you still have the film
yea yea
Looks like we need more drink
you want more?
No thanks
Well the chef is certainly handsome
I think I understand why Hyeon Jyeong likes him
Ahah when am I gonna have a boyfriend
I want to show one to Hyeon Uoo

Ah If Hyeon Jyeong was here she d mock me
독신작심 20일 정도 경과
Been around 20 days since declaration of "forever single"
You are go ng to be a model? Wow
what do you mean?

Speaking of w tch I heard your g rlfr end s a CF model ?
Let s ask h m
ah
Seon Ah
yeah the name was Seon Ah Are you two close ?
our fam ly have known each other for a long time

My family has only sons So, my mother liked Seon Ah a lot

And she was very friendly to me

She's like my younger sister That's all

It's as if a case of Hyeon Uoo and I

I reminded myself again that it's not good to butt in other's love life

Actually if you th nk
about it th s knd of
ssues goes on rather well
without help from others
If it s go ng to work it
w ll work

No you don't have to
Just be natural
We are only pract c ng today
And don't m nd the camera
How can I not he s tak ng a lot of p ctures
He has spent Ike 2 f lm cases
찰칵
I keep wonder ng how the p ctures would be Ike
So unpleasant event happened to you?
Tell me about it and don't m nd the camera
noth ng ser ous
a common ssue n a coed
hmm
Now you ment on it do you have a boyfr end ?
Nope
찰칵
Haha I w sh

JS

I heard you are modell ng
Ah haha
It s just a favor for Hyeon Uoo s father

Ah pretty
Maybe I should have won the slert I recommended
Dress
Pretty
Dress
Let s forget It I shouldn't make a scene out of my self
Oh you are here

JS
Hello

No wait
Hyeon Uoo let me see your bag

Ah Se Yeong you are here
Did you est break fast ?

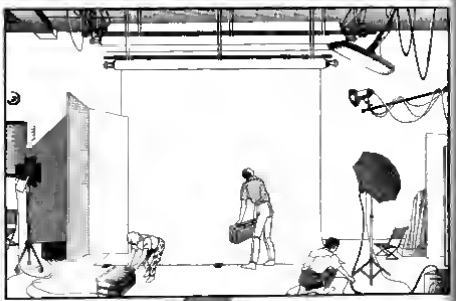
Ah nce smell
Hoho I made omelets taste some

Take off your shirt and try this.
It's Hyeon Uoo's. Too big for me.
It's ok. dust wear it. You will take off when taking pictures.
Se Yeong is going to wear it and
Hemi and Hyeon Uoo will get in the car.
yes
I will see you later, horny.
ok
What, Is Hyeon Uoo going to the stuide with Hemi ... ?
Yes
Is th s really ok?



Hey, girl, could you see Jung?

Ah this song
It's 'New kid on the block'!

You are here, professor Jung.

Hi -

Hemi's here as well.

We are taking fashion photo today.

Yes -

Hello.

Ah, you are the son, right?
Hyeon Uoo?
Yes
So, how is the time ?
Well, let's see...
you are going to use that ?
Yes ... you see...
A new model?
Yeah...
A new world
Even the common song sounds unfam l ar
I wonder if I even have a spot n here
Se Yeong
Wait in th s room
Someone in charge of makeup w ll be here soon
Yes
Makeup

Someone's here ...
Should I hai ...
Hello
Looks Ike she
s a model
Hello
Mot on on her face
It s as f he was surpr sed
to see me n here
Looks Ike
we are s mar
age So let s
not use formal
tone
Clothes?
Shoes?
Yes ?

No,
I am a personal model
for... professor Jung...
Professor Jung ?
Hem would be here then
Hem Yu?
She s
D d she come here with you?
D d another g rl with her by any chance ?
no
She never gets anyth ng done!
She s just so dumb!
I don't know what s between them but she s rude
She seems to know Hem well

JS
Seon Ah you are here early
Hem
Eh ?
What s go ng on
Seon Ah ?
Ah
So she s the chef s

Was she talking about Hyeon Jyeong ?
Why would she want her to be here ?
Se Yeong L ghten up
And a little more l ght on the r ght
Eh ? That s Se Yeong?
Professor Jung s personal model ?
Yeah the face s not except onal
But she has got a good body style
찰칵
찰칵
Hm she also seems to be tall and has long legs
She m ght be good for clothes model
Her style w ll be suitable
Ok
That s all for today
Wait a second Se Yeong

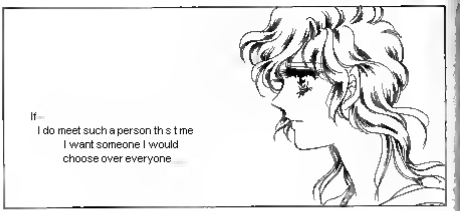
Phew
I wonder how it
w ll turn out but
I am sure it would
have unnatural faces
on it
Seon
Ah..it s
your turn
now
Th s s mean
I have an
appo ntment
and start
now ?
찰칵
찰칵
찰칵
찰칵
찰칵
Well whether I want
to be a s ngle or not
I need a boyfr end
Look at those two
I am m serable here
But..

That would be wishful thinking.
If I don't have one I won't have to deal with the emot on and I won't have to deal with the changes that w ll occur n my l fe

Uh ?
Thanks for the face.

Wait here. I will buy you all a launch.
yes ...
Should I call it professional spirit ...
That was a surprise.
If .... I tell Hyeon Uoo that I declared to be a forever-single, I wonder what kind of face he will have ...
But people don't always stand on the same spot.
I will oneday find my man somehow, and move on.

JS



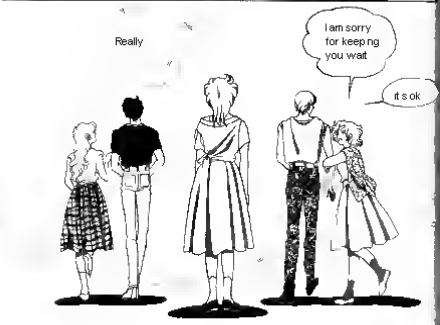
If...
I do meet such a person th s t me
I want someone I would
choose over everyone...

And at the f rst s ght
he would also knows
me and so would I

...What a
dramatic thought...
blush ng
But It s funny
The song s now
Ballade as if th s
s a scene n
a movie
Now
All there needed
is someone
who enters
the room
And if he knows
me
Whoa ?
Someone
s really
enter ng?
Forget my
mag nat on
what if
It s a
marr ed
man?

Se Yeong ?
Why are you here?
How about you
Ah
You came here for Seon Ah

I shouldn't have really met h m



Whatever you want
whatever want ?
Don't complain later
mixtured Boiled rice
Powered food then
You ?
ya
Its fine
Se Yeong
Yes?
You look beautiful today
I am beautiful
Ya I know
You are beautiful

Not so funny jokes
Really not so funny jokes

Yeah
I know
You are
beaut ful
Eh
Eh ?
Ah
What the
it was a dream
Strange
Why do I keep remnding
myself of that not so funny
joke ?
Even in my dream
Is it because
it was too
direct ?

But I feel bad n some way
Ith nk the ch ef is a playboy
Se Yeong s ghost ...t must be She never wakes up n a m d n ght
Say ng such a joke n front of h s g rlfr end Anyhow look how close he was with the g r, Seon Ah

Look at Heon Uoo for an instance.
Once he began to like Hemi, the time he spends with me decreased noticeably.
If the chief likes Hyeon Jyeong, shouldn't he be with such an attitude ?
Se Yeong,
Help me to p ck Hem s b rthday present
See ?
When is her b rthday?
Why should I ?!
I am not in a mood for that ! I am not friendly to her, either !
Next wek Are you going to give her a gift as well?

Sure! Let s go to p ck today
I am not go ng to pay back!
I got no dough
Unless you let me borrow
Ahah! Damn me!
Hey, you two are always fr endly
when w ll you declare?

What a late joke

You should announce your relat onsh p with Hem on TV
Otherw se, the ch ef s go ng to m s understand
what ?
Noth ng
See you later after school

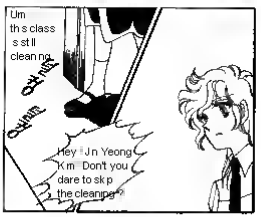
Se Yeong you don't look like so but you get along with men pretty well you know?
she's at it again
But Na Yeong Heon Uoo has Hem
Ch elf has some model g rl
You want me to ask J n Yeong as well?
Do you th nk I am desperate for boyfr ends ?
You meet the ch ef often Be with me dur ng that per od at least
If you d d it, I wouldn't be mean to you l ke th s
You always hang out with Hyeon Jyeong lately
I th nk I understand her now
Yeah certa nly I made some d stance from Na Yeong
But somehow it happened naturally

Why don't you ntroduce her to the ch ef ?
sure sure keep com ng
I know you don't mean it
Why not? I mean it! She s go ng to be mean to me sooner or later
you mean it ?
ya

If you th nk about it actually

I guess it won't matter to ntroduce someone to the ch elf as long as he l kes Hyeon Jyeong

But I don't understand Hyeon Jyeong well



Se Yeong
d d ?
Yeah she sa d
she wanted to
meet you at
6 o clock n
Hem r
What are
you eating
at th s hour ?
It was the

JS

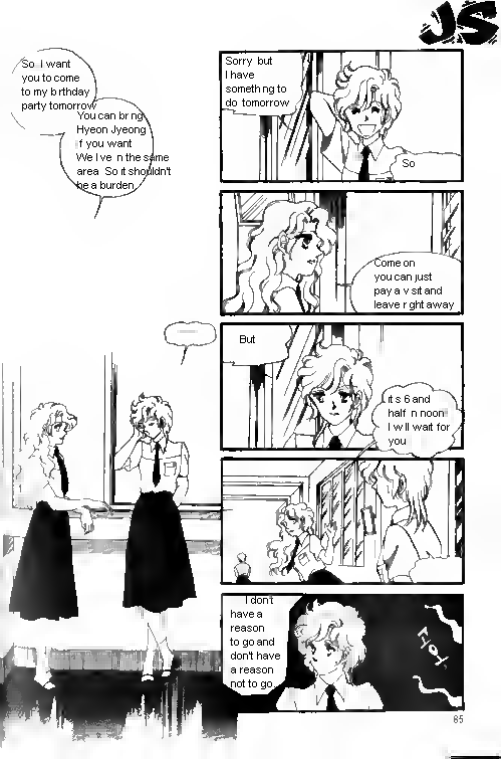
eh ?
You are home late
yes -
The additional classes are over. Be home early !
Is brother home ?
Yes, he is

JS
I am not confident of mysely lately
What are you saying you know pretty much everything.
you shouldn't say that to your younger brother
No I don't think there are any reasons for her to dislike me
But I can't get closer to her
Sure what is it ? Is it not going well with the girl you talked about ?
To her I am always the chief not even Yeon Hoo seonbae
When she gets a bit nervous I am the chief again
you look old
you are too mature and too calm
you look and act like a playboy

Keep eat ng
Just eat
Eat to hell
Of course there are g rls who l ke such a style
It s only a matter of taste
But hey g rls do ke guy s purity and ch ld sh acts
You are zero at that aspect
It s strange though You do have your own purity and ch ld sh acts
I guess g rls can't see it through
Purity and ch ld sh acts sounds l ke Heon Uoo
Ahah, the guy that the girl likes ?
Is he such a type ?
ya
very d fferent from me
So, it's exactly 4000 won !

Wait ! How come that present includes my share ?!
It's better to gather the money and buy a better one.
FAN
Take my share off the present ! I only want a birthday card !
It makes it look like my share is not even in !
me!
cheapo
Look who s talk ng
That s it then
So you are go ng to go her house w thout a g ft ?
I've run out of money I can't lend you money
Who sa d I d go ?
But she wanted to nvite you
what?



So I want you to come to my birthday party tomorrow
You can bring Hyeon Jyeong if you want We live in the same area So it shouldn't be a burden
Sorry but I have something to do tomorrow
So
Come on you can just pay a visit and leave right away
But
It's 6 and half in noon I will wait for you
I don't have a reason to go and don't have a reason not to go
Tap

Good for you
You get nvited by
a famous person
I th nk Na Yeong
has become scar er

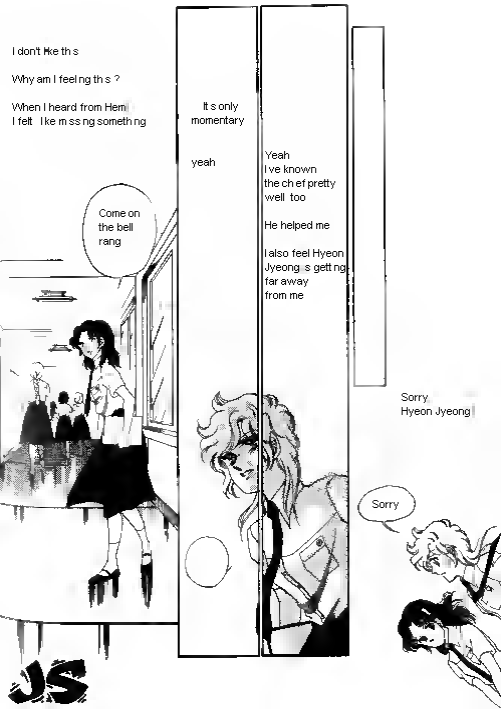
s it just me?
ya
espec ally
to me
monster
why?
Yeon Hoo-
seonbase told
her to arrange
a meet-ng wth
me yesterday
I can
see why
she s
angy
Ahah I see
Aahah f nally
That s the way
to go
I feel sorry for
Na Yeong though
But



I don't like this
Why am I feeling this ?
When I heard from Heni
I felt like missing something
It's only momentary
yeah
Yeah
I've known the chef pretty well too
He helped me
I also feel Hyeon Jyeong's getting far away from me
Come on the bell rang
Sorry Hyeon Jyeong
Sorry
JS

Was it your plan to send Na Yeong ?
No never
It was what Na Yeong wanted
나의 계획을 말하기엔 일러요
Bes des Se Yeong prom sed her to do it long ago
I see
You seem very d sappo nted
If you were in my position, you'd understand.
Being introduced to other by someone you have in mind.

Even so you were a little mean to Na Yeong It wasn't Yeon Hoo seonbae s style
If you have to choose wh ch one would you go for me or Heon Uoo?
Ha Ha that s not so you You are compar ng?
It s a matter of personal taste
When you try to evade to answer would the answer be the second?
It may also be because the one s n front of me
Thanks
Hgh level
Even such a statement s comfort ng me

JS
Anyway, it seems as if you are disliking this side of me.
Se Yeong is ....
This is a trick !
huh?
Heartwarming love blah blah, you are trying to weaken my mind.
How did you know ?
Nevermind.
I am going to go alone from here.
Something's not right ...
You keep saying that
Don't you think guys also have complex?

JS
s that so? Well then
As Se Yeong sa d before you and I have s m lar t es t was a pleasure talk ng to you
I am go ng to keep nterfer ng
As you w sh
Bye
But I don't th nk that s the ssue
As long as she doesn't have the m nd
Are you go ng to be at Hem s b rthday party?
yes
I w ll see you tomorrow then
let me ask you a favor
Arrange a meet ng for the g rl Na Yeong someday
I must apolog ze to her

Tomorrow after tomorrow is the summer break.
Wow, wow ~ come on summer break !
Se Yeong! Dress quickly, I have to go change too.
Being restless already ? Do you have a plan?
No, not at all. It's probably the same as any other summer break had, but I can sleep as much as I want at least.
I should have signed up for some church for training trip.
Join to worship or to play ?
I am kidding. Anyway, what did you two talk about yesterday ?
Nothing much...
Nothing much ? what.....
I am telling you. It was nothing.
Ahah I see
It was really nothing... some jokes.
Ah ! he said he'd be at Hern's party also

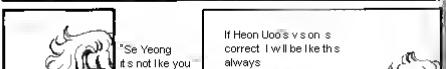
I am Se Yeong, and she is Hyeon Jeong.
Hello
Oh, so I heard you two are fr ends of Hem s Come on n Seon Ah s the only one here r ght now
So she s here as well
Hem, your fr ends are here

You came, where is Heon Uoo?

Well..., isn't he here yet? He said he's come here right away from school.

Hmm... the chief said he is going to be a bit late...

Dress, it's a dress! Wow! I saw those at Christmas parties...



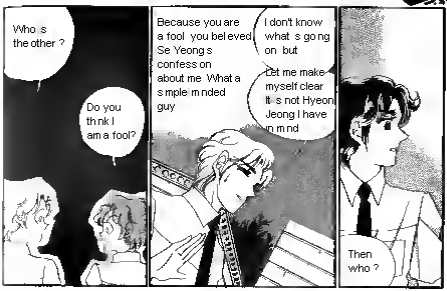
Se Yeong it s not like you

If Heon Uoo s v s on s correct I w ll be l ke th s always

I am rather t m d when it comes to th s area

JS
What are your reasons for waiting and go ng with me Heon Uoo?
I.... don't know how to say this but...
Seonbae, do you like Hyeon Jeong?
What are you say ng ?
I heard from Hem You have feel ngs for Se Yeong s fr end Hyeon Jeong !
what?
If so quit play ng around and be stra ght !

If you like somebody, be straight forward and declare. So that other innocent people won't expect you to like them !
Isn't it a freedom to like or not to like somebody ...?
Ah ! under a name of freedom, you are going to enjoy other's suffering ?
Women's enemy !
You have no business about my privacy.
And what makes you think I am interested in Hyeon Jeong ?
Seon Ah told Heni so.
And Se Yeong
Se Yeong did ?
Anyway, Seonbae !
This is happening all because you are not clear to the others ! So, the others having expectation !



Who is the other ?
Do you think I am a fool?
Because you are a fool you believed Se Yeong s confession about me What a simple minded guy
I don't know what s going on but
Let me make myself clear It s not Hyeon Jeong I have in mind
Then who ?

What if I say Se Yeong ?
Hahaha you are kidding right ?
Yes I am !

Ha Ha
You are so late!
Yeon Hoo oppa I hav been waiting for you badly !
sorry sorry !
I am sorry mother
Se Yeong and Hyeon Jeong ?
Washroom
Seon Ah acc dently poured ju ce over Hyeon Jeong s clothes
Thanks to Heon Uoo I can see what is go ng on here
I th nk I am be ng hated by here and there
Na Yeong and that g rl Seon Ah

It can't be helped if you are going to have a boy-friend like the chief
There is a washstand and dryer outside
what?
The chef what?
ah
Eh - come on ! Confess !
You like the chief, right ?
No way what are you saying ?
Yeon Uoo seonbae does ?
You don't have to act like that The chef likes you So you two like each other it's al smooth!
yeah yeah you don't have to hide
I was waiting for you to bring up but you never said anything so

W wait
Se Yeong!
It s not that
I have no feelngs
for Yeon Hoo seonbae
And
the one Yeon Hoo
seonbase has n
mnd s
It s you

What a lie !
Think again It's not a lie
I will explain it to you later

After all
It looks like I can
no longer nterfere
It s better to
end th s way
탈칵
It was
not that I was
told the ch ef had
me n mind
It was the
sl ght sensat on
the feel ng I could
get from
Hyeon Jeong
Yeah
I like the

After declarat on of
forever s ngle for about
30 days I was th nk ng
of w thdraw ng it
I wouldn't make
a b g d fference
but

To meet you
I have faced countless separat ons

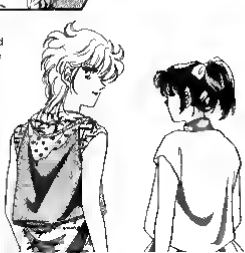
JS
Happy birthday -
guys
What did you wish ?
waa
guys
yeah!
Ah
I feel somewhat stupid for singing the brthday song it's not like it's coming from my heart and still singing
A Girls spite is deadly as expected
Moonlady's spite

If what Hyeon Jeong sa d
s correct shouldn't I be the
one who would be tak ng
all the pun shments ?

Wouldn't be there a
reason for her to bel eve
that Hyeong Jeong s
the one ?



Wait here
I w ll get a brush to get r d of the bread powder
Excuse me could I get a
Sorry...
it looks l ke you are gett ng all the pun shments Seon Ah s very mean about such stuff
it s ok I th nk I can enjoy th s
Do you have a personality d sorder ?

How d d you get out ?
I told them I needed to make a call
I guess be ng popular s a pa n I am glad I am not popular
Don't make fun of it
And noth ng s wrong wth you
Actually you have an atmosphere that guys would love
The more they see you the more
Ah. popular people sure speak d fferently
They do know how to please people

I've got you a brush
Ah thanks
You better use a soap to get rid of the creams
You will get a lot of mistakes today Be careful
See you soon

He came here to comfort Hyeon Jeong

I can't believe it still...
Hyeon Jeong said I am mistaken, but I think she's mistaken also
I think this skirt has had it
Yeah maybe, maybe, something Hyeong Jeong does not realize yet
Yeah that's certainly a possibility
Should I withdraw my forever single
Ach, let's forget it
I feel stupid enough already
I am paying so much attention to guys after all
Even if I wanted to have a clear blue life, this self shness is getting in the way

Um... do you think it is a good idea to have a trip during the summer break ?
Our plan to go trip last time fell apart you know
I don't want to. I don't want to burn my skin.
If we do go, it should be more country side place.
Yeah, yeah, it's summer break after all. Like 3 days trip.
Do you realize there are men and women here?
It shouldn't be a problem if there was a guardian.
Sat next to Yeon Hoo
A guardian
Would a 2nd grade university student be ok?

Eh Yeon Hoo oppa
Are you realy go ng to go ? With Yeon Soo oppa as a guard an?
But isn't Yeon Soo oppa busy lately ?
He w ll make the time somehow

Eh are we really go ng ?
No no my parents won't be pleased w th a guard an of that level

me too
I can't go on for more than a day

I am f ne w th it As long as Yeon Hoo oppa goes there w ll be no problem
Sigh

Well if I go with Heon Uoo my parents w ll most kely let me go

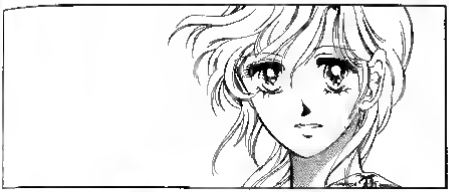
EH ?
Yeah I thnk we need a guard an of at least over 24 years old
wait ! I am not an aunt e
Hm ! they are chldhood fr ends That means she is closer to hm than Hem ?
what she thnks
What was that? There was a thn Ine of tens on
Well I am not her chldhood fr end
But feels somewhat bad

JS
Yeon Hoo seonbae must be feeling bitter
feels sorry for him
She is right Her and my parents would let us go even if it were us alone
He agrees
You guess this one
?
?
?
it will be younger s playing Would any adult go with us ?
Then let s go with those who can go like Me Yeon Hoo oppa Se Yeong and Heon Uoo
That was too direct
Ok, let s hold this plan until we find a guardian

Good night
Hyeon Jeong lives in the area. So she walks to home.
Seon Ah is walking home with Yeon Hoo seonbae.
Hemi is staying at home.....
Really
Bye,
Bye,
It was fun. Happy birthday
Thanks bye

I think it has been really long time since we talked together
And at night ...
Woo it sure s hot out here
At last it s summer break now
yeah
I am glad our school has short additional class
yeah ...
..... This is feeling certainly weird for just being together.
I know it is finished for good, but why do I feel so sensitive ?

Ahah
I w sh I was
dull l ke Heon Uoo
Se Yeong,
you've changed
a lot lately.
... again ?
If I change
everytime you
see me, I'd
be a chameleon
by now.
About
what ?
Well ...
I can't
pinpoint ...
Well, people
change all
the time but
I think ... you
should stay as
who you are
for a while.



That s rare of h m speak ng in such a manner
What do you mean by stay as ?
I don't know
It s not I don't know ! Your face says you know !
Eh !

Your face says so Come on now Be honest
U TO O

Did you know Yeon Hoo seonbae has a grl n h s mnd ?
you mean Hyeon Jeong ?
No he said it was not Hyeon Jeong
And he also sa d it wasn't you
Do you st ll have feel ngs for h m?
—?!!!
t s not Hyeon Jeong or me ?
Just what s go ng on ? I am gett ng a headache
Se Yeong
Who cares t s my dec s on

You don't used to care for such thngs It s not Ike you
Se Yeong you
I don't know
Be more clear
Just say what comes to your head
I th nk
I th nk you are better wthout a boyfr end at least not yet

you
You self sh jerk
You have Hem
I know
That s why I couldn't
say!
Well it s l ke
How would
a father feel when
h s daughter gets
a boyfr end
heard
from some
where
Don't make me
your daughter
all the sudden!
That s how
I felt
Although I do
know that it
can't be helped
Don't forget!
I am the same
age g rl as
your Hem!
Self sh and
arbitrary guy

Sorry
I do know it's bad
If you know it's bad then it's all right
A fool who could even say such a statement.....
It looks like we missed the bus intentionally for talking
But
it's selfish but
I think I understand the feeling a bit

Yeah a little

I feel as f
talk ng about
boy / g rl friends
would mean the
end of our
ch ldhood fr endsh p

Summer break - I
What s your plan ?
Where w ll you be go ng dur ng th s summer ?
I am go ng to attend a sw mm ng class and get on a d et
Don't come back with more fat Well, say ng goes you lose fats n summer though
Se Yeong, do you want to go somewhere today ?
Wait here I have to go to the club classroom r ght now

Ah
Is that so
Yeah project and cast list will be announced today
Good luck with your cast
Who knows You could be the main cast
Hem will probably be the main cast
it may not be so
You know how it often goes in manga or moves a sudden reversion
And I am the main cast in such a drama ?
Now, let's go back to the reality

Now I th nk about it
Why does reality have
to be equal to bad ?

It s as if reality s
bad

현실

Well
it was for only a
short per od but
I was a man
cast of a play

It s now only a
fragment of a memory
though

And the lack ng feel ng

There were many
suggest ons
There were a
total of 16

We ve dec ded to
do The little Pr nce

I believe many know about the story which may boost the viewers interest
it s a bit like a fairy tale but it will require some acting skills
I believe it will be a good play to practice
Eh the little prince ? Sentimental choice
There will be 14 people needed for the play and 5 people for flowers
He M Yu will be the little prince
As expected
Eh ?

Wait the pr nce s a male
However the pr nce s young and small
I don't th nk any of you healthy boys will be suitable for the post on
You th nk so?
Haven't you heard of females who acted as boys n plays?
He doesn't know such th ngs
Se Yeong I d d read the young pr nce story
I am tell ng you I will be the perfect example for the cast
Let s keep such a joke for 21st century
Now be qu et
Let me cont nue

Jun Soo Lee will be the controller
Well, she does have the skill But still
It's always Hem
Yeon I Hwang will be a rose
Whoa— Se Yeong's the fox?
Eh—?
Jin Yeong Kim please be quiet while I am doing this
Eh - !
- Me ?!
JS

JS
I am the fox ?!
Uoo Jin Kang will be a flower in a desert.
Hyeon Suk Lee, Eun Wha Be, Kyeong Wha Lee, Ji Yeong Lee, Jin Jyeong Kang will be the roses in back.
That is all.
The scripts will be given to the cast today and we will begin to practice a week later.
Those who were not called will be take care of the items for the stage,

Congratulat on Se Yeong
It s a cast the fox
Yeah thanks
It s good to be on TV I guess Man and sem man
No no I really congratulate you Se Yeong
You m ssed the cast last t me Good for you
Thanks
I don't th nk so
What was that about So f I d d not m ss the cast last t me then what ?
It s not about sk ll or mage but the power of TV?

So it is not me
Then they feel bad
about Hem talking
the main cast
everytime

Hmmm ?
Unexpected
react on
It s you
If she d d say
the truth,
h s react on
could explain
Eh
Yeon Hoo
seonbae
How long do we
have to wait ?
I am sorry
I see
I knew it
That s how
it goes in
reality
They wanted
to d scuss
about the
casts
Eh ?
If so, I would
like to go
with you

Not good
Isn't Hyeon
Jeong waiting
for you ?
Ah it s ok
to go home
on our own
for one day
I w ll tell her
to go now
Sorry
Hyeon Jeong
I need to ask
about the
casting
She must have
been waiting all
th s t me and you
let her go now?
Let s do it later
But
the summer break
starts today
I won't see you
until the next week
for the pract ce

I believe we had a discussion about going on a trip
Ah, Ah, Yes, I forgot
Right after
I will take about it at that time then
And don't treat your friends too lightly You may lose them even if they are really close to you
Well, he has a point I made her wait all this time and if I told her to go home alone, she might have felt bad But still, Hyeon Jeong has a very capable mind
Couldn't she think of giving me a call?
Am I still that far away?

But
He was car ng about Hyeon Jeong
The ch ef
You sure took your t me
I got my scr pt in the last
What is your cast? And what play ?
Hyeon Jeong f I made you wait 2 hours what would you do ?
I would have v sited the club classroom before that
What play is it ?
What f I left without you ?
I would k ll you on the next day
What is your cast ?

What f I tell you to go home because I have someth ng else to do ?
Someth ng else to do ?
Well, f it s so it can't be helped I guess So what s the occas on ?
Hey, why are you making it so hard to explain that ?
N, no - it was only "if"
If ?
It was just... an excuse for being late... mind test, you know
Forget it - Let's go, go. I will buy meal today .

It was wise not to ...
Fox ?
레코드
광양 전자
The fox in the little pr nce s a good character
Congrats
Yeah it was unexpected
Hey have you seen the young pr nce on TV ?
No I haven't When d d it d splay ?
Sometme ago on TV

I would have been good if you did watch it
Jn Wild was the fox in the play
Yeah I shoud have
Ah I have to read the novel agan
The last t me I read was the 6th grade in elementary school. I th nk it was a memorable book
Yeah it was a good book
Yeah

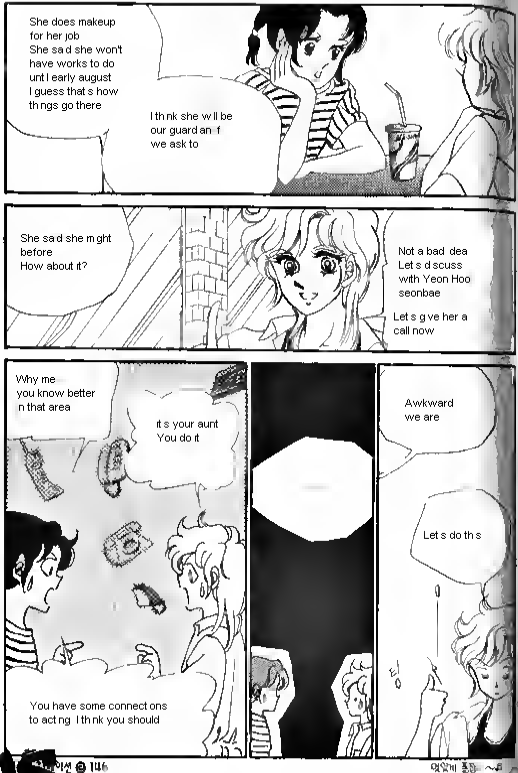
Strange.. sn't it?
I found the fox
creepy at that
time
What ?
Why creepy ?!
That lovely fox
the cute fox
Now I th nk
of it
I th nk the fox s emot on
h s love
that came ke sea
wave I th nk it
was too much for me
No
I don't know
why
it s just that
the fox approached
too fr endly

Well I will feel differently when I read it again
This is why you don't read good books only once
Yeah
Am I afraid of restless love?
Even though I want the someone to know who I am if I do find a lover ?

Maybe that means I want to skip bothersome progress ?

How did you spend your first summer break day ?
Good... How do you feel waking up late ?
It's all good Anyway, what's happening with going on a trip ?
Don't we have to find a guardian first of all?

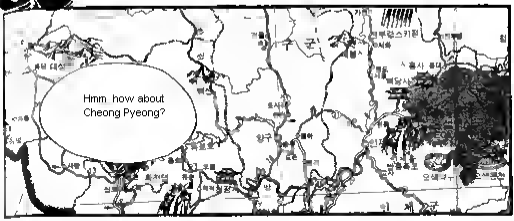
Speaking of witch I think I've found someone Let's meet today
If we are going to make it work in a week we need to hurry
The same face looks surely different during summer break
Come on in. You are early
I have an aunt who is 34 years old, single
Considering her personality, I think she will be able to get along with us pretty well



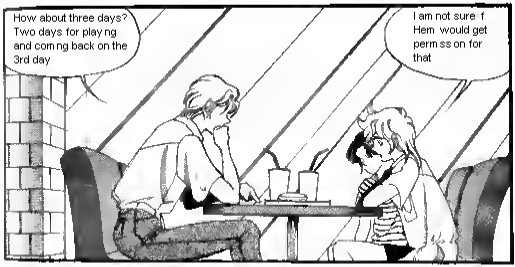
She does makeup for her job
She said she won't have works to do until early august I guess that's how things go there
I think she will be our guardian if we ask to
She said she might before How about it?
Not a bad idea Let's discuss with Yeon Hoo seonbae
Let's give her a call now
Why me you know better in that area
it's your aunt You do it
You have some connections to acting I think you should
Awkward we are
Let's do this

Number,
Then, I chose face
So, I th nk we found a guard an
That s good
All we have to do is choose a place
By the way, therer are only few guys
What? Me?
bro
I w ll ask my brother to tag along but
I th nk we need to par up So we should bring one more guy to the trip
Well I don't th nk that s necessary
If we do don't we have to f nd a man to tag along to par up the aunt also ?

JS
How about Jin Yeong?
Everyone knows his face
As long as he does not always play
Haha we can make him not to
I see So the team is done How about the place ?
I think we should meet up to discuss that
You are right
Where are you now?
Hem near school
I will be there soon
Hm so he is trying hard to be a player



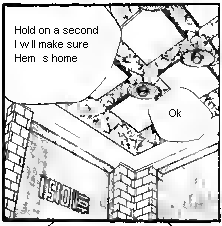
Hmm how about
Cheong Pyeong?



How about three days?
Two days for play ng
and com ng back on the
3rd day
I am not sure f
Hem would get
perm ss on for
that

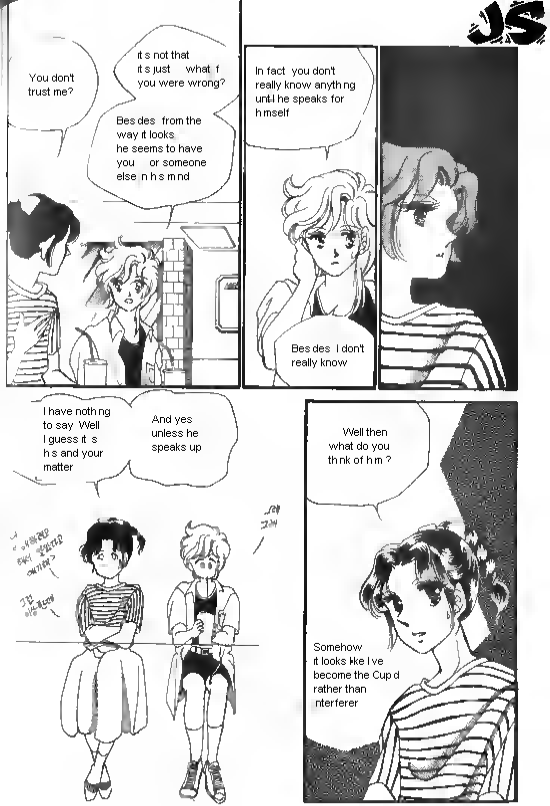
We w ll conv nce
her parents
Then go with Hyeon Jeong
She knows how to
conv nce people
Bes des she l ves in
the same area and her
aunt s the guard an
t may not be a good
dea for a guy l ke me
to go alone
A g rl should go with
me
Yeah
I know

We will need to leave about 2 days later So we need to talk Hem a parents today
Ok
I will tag along when you are on your way to home



Hold on a second I will make sure Hem s home
Ok

Why do you keep trying to avoid him? I told you that he has you in his mind
I don't know
And there s so little proof for that
Unless he speaks up I can't trust views from others



You don't trust me?
It s not that it s just what f you were wrong?
Bes des from the way it looks he seems to have you or someone else n h s mnd
In fact you don't really know anyth ng unt l he speaks for h mself
Bes des I don't really know
I have noth ng to say Well I guess it s h s and your matter
And yes unless he speaks up
Well then what do you th nk of h m ?
Somehow it looks ke I ve become the Cup d rather than nterferer

I don't dislike him I like him rather But it s not "the like"
And it s true that you made me think about this more seriously
But I don't think I like him more than Heon Uoo
She s home I told her we are heading there
I will phone you about what to bring later Let s go now

Could you g ve me some gap to get n
I feel Se Yeong s avo d ng me at all cost now
. . I don't think I have the ability to overcome your obstacles
I am sorry, but I quit nterfer ng some me ago
t s your lack of ab lity to handle Se Yeong

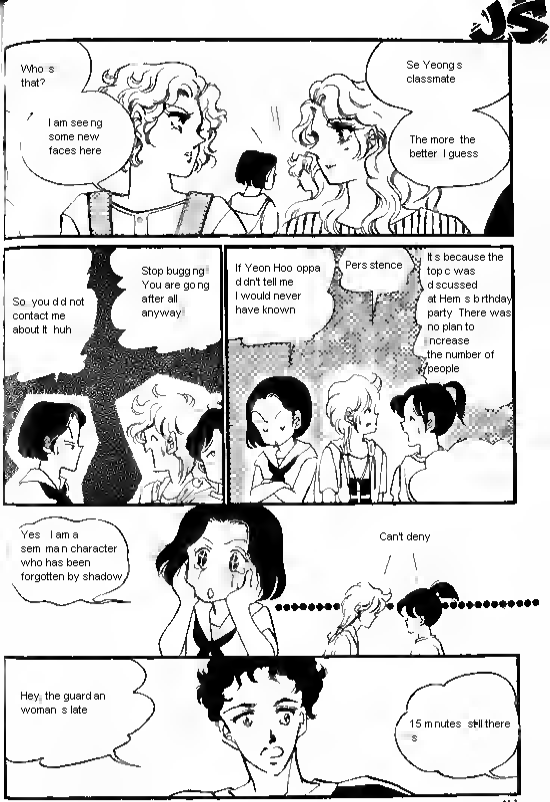
Quit ?
Really ?
Why ?
It s a matter between you two
I got tired
I even told her you like her But she wouldn't believe
And
It looks like she haven't gotten over Heon Uoo
What am I saying ?
Is that so

I d didn't turn into a Cupid from an nterferer
I feel as if I've become other kind of nterferer
It s all because of you
What?
Because you make too much contacts with other girls Se Yeong s misunderstanding
Be clear of your nterest and act on
Why get angry all the sudden?
You sound just like Heon Uoo
yeah it s all because of him
Hey wait for me
I like Se Yeong and that s all there is

Ah and I arranged a meeting with Na Yeong
You meet her 2 o clock tomorrow The same place
Ahah
헤미리
EASY FOOD
I apologize about what happened
I was not n a very good mood at the moment
And to make it worse it was related to Hyeon Jeong

JS
It s all r ght I am also sorry to just call you out of blue
In the meantime, I won't probably get along with the level of relat onsh p you want
It s ok to be just fr end
Yes, just fr ends
do you have someone n mnd ?
Madona Whan Sun K m Soo Yeon Kang
(There are actually Ike 10 more names I skipped those as I was unsure of how to spell the r names correctly)
Nevermind !

Hmm Do you have any plan dur ng the break?
Ah I am taking a tr p tomorrow
Where are you go ng?
Cheong Pyeong
Ahah awesome Are you go ng alone or with others?
With others
May I ask who you are go ng wth ?
Eh ?



Who s that?
I am seeng some new faces here
Se Yeongs classmate
The more the better I guess
So you d d not contact me about It huh
Stop bugg ng! You are gong after all anyway
If Yeon Hoo oppa d dn't tell me I would never have known
Pers stence
It s because the top c was d scussed at Hem s b rthday party There was no plan to ncrease the number of people
Yes I am a sem man character who has been forgotten by shadow
Can't deny
Hey, the guard an woman s late
15 m nutes s ll there s

JS
The old woman s here
Aunt..
Eh
Huh it looks lke ths s a school excurs on
Looks lke all of you are on t me
Excuse me... A un versity student here
And I am 4 years older than them
And 3 years older than Yeon Hoo
We w ll ntroduce each other on tra n
Got the t cket ?

I was just cur ous of the reasons beh nd the dec s on
I prefer seonbae rather than ch ef

Ah yes
I recommanded
And you showed your skill in the prev ous play So..the teacher agreed
it has noth ng to do wth mage ?

No matter who takes what posit on. I bel eve everyone has some k nd of potent al
You should show your mage of fox
Your fox

But I had a feeling that you might not be good as the fox
The fox has pretty much genderless atmosphere you know
Ha...
Maybe this is why Yeon Hoo seonbae is not acting in front of everyone...?
It looks like he likes to make it happen rather than doing things at front
The meal is rather... you old women!

Wow - not bad. How about you guys keep doing this ?
Don't say that even if it is a joke.
Yeah - let's be fair
Isn't it too cold to swim?
it's hot enough today
How about swimming after the meal ?
I don't like this I have to wear swimming suit in front of Heon Uoo and Yeon Hoo seonbae ?
Not within an hour after the meal!
I know Ms. guardian
Are you going to swim also ?
Yes !
Girls will clean the dishes

Be ng a sen or s good

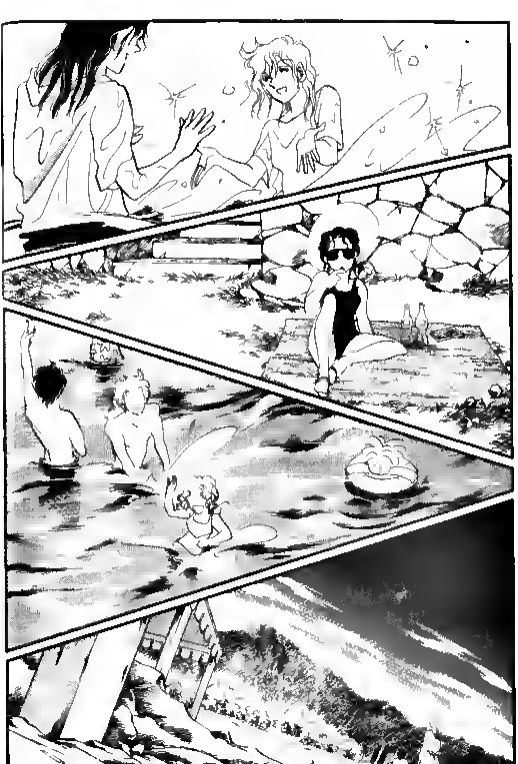
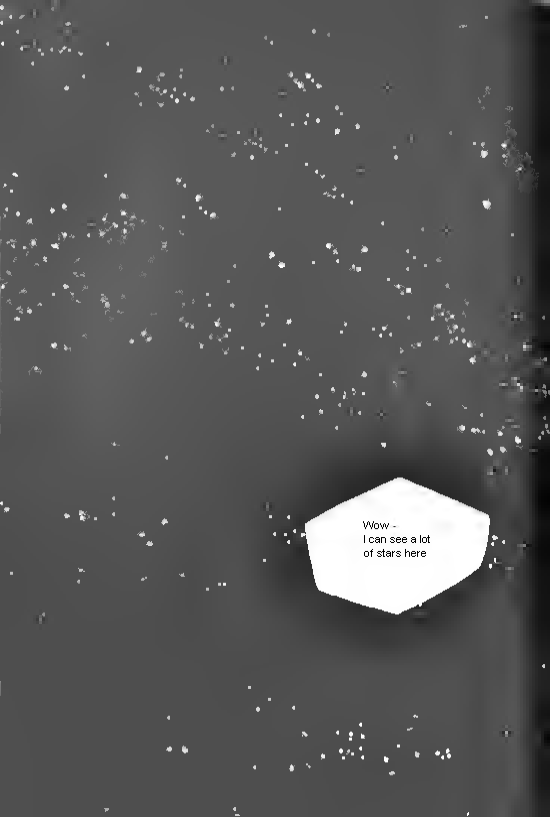
Oh yeah !





Wow -
I can see a lot
of stars here

Hm , less polluted air.
I suppose there were more farms here long ago.
Are we talking about pollution?
If I look at this, I feel we should really enforce the nature protection campaign.

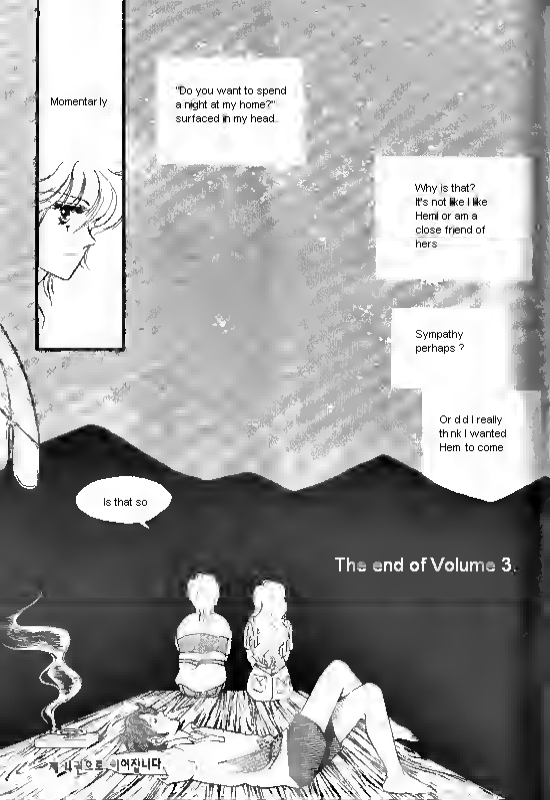
But I haven't without mother around
Ahah~ th s feels good I feel liberated
... and I want to spent a night at a friend's house also.
.... Hemi, have you slept away from home?
.....
Doesn't Seon Ah's mother know your mother well ?
Yeah...but I don't want to sleep there



Momentar ly
"Do you want to spend a night at my home?" surfaced in my head.
Why is that? It's not like I like Heml or am a close friend of hers
Sympathy perhaps ?
